

JOB DESCRIPTION

Title	Micropropagation / Plantlet Laboratory Technician	Department	Plantlet Production
Location	Wimauma, Florida	Date	March 2021
Reports to	Plantlet Production Lab Supervisor	Status	Full Time

POSITION SUMMARY

GreenVenus, LLC is focused on accelerating innovation in agriculture with proprietary products and platforms enabling sustainable food production for a growing population. With next generation Botticelli™ plant propagation, PrimaVera™ precision genetics and speed breeding, and technologies for hybridization of crops, GreenVenus seeks to improve the quality of food for consumers while preserving valuable natural resources.

We are seeking a highly motivated, Research Technician with strong Lab and organizational skills to join GreenVenus, LLC's Botticelli™ laboratory located in Wimauma, Florida. The Micropropagation Lab Technician works under the supervision of the Micropropagation Production Supervisor and is responsible for the precise execution of different high throughput plantlet production protocol.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Follow laboratory procedures in strict compliance with approved protocols.
- Meet throughput production metrics for the quantity and quality of the plantlets.
- Preparation of a variety of high-quality plant tissue culture and microbiological media under time constraints.
- Maintain a clean, orderly, and safe lab space.
- Other duties as assigned.
- Reliable and dependable attendance is an essential function of the position.

DESIRED KEY COMPETENCIES

- Experience with sterile/aseptic techniques or in plant tissue culture or in laboratory settings preferred.
- Must be able to perform repetitive tasks with both hands with manual dexterity.
- Highly independent, proactive, and self-motivated.
- Strong attention to detail and record keeping skills with ability to work under strict timelines.
- Ability to work 40 hours/week on a regular schedule (8 hours/day).
- Ability to work overtime as required (including weekends and holidays).

WORK ENVIRONMENT

- **Frequent:** Speaking; hearing; sitting; use of hands/fingers; handling or feeling objects, tools or controls; close vision; color vision; peripheral vision; ability to adjust focus. Be able to sit in one position for a long period of time, continually and repeatedly performing a same task in detail.
- **Occasional:** Standing; walking indoors; reaching with hands and arms; stooping; kneeling; crouching; lifting and/or move up to 40lbs.
- **General:** Moderate noise level, similar to typical office environment with computers, printers and light traffic.

ADDITIONAL REQUIREMENTS

- Must be a minimum of 21 years of age.
- Must be able to pass a comprehensive background check and drug screen.
- Requires fingerprint submission.

Work Authorization: U.S. Work Authorization

Start Date: ASAP

Position: Full time

Compensation: Salary based on experience with a competitive benefits package.

Location: Wimauma, FL, USA

Instructions: Email resume and cover letter to hr@greenvenus.com with “Microprop Lab Tech” in the subject line.
